

What to Look for and Signs of Contracting

New Faces in Your Building

- Look for Contractor ID Badges
- Contractor names on uniforms
- What kind of work they are performing

On the Street

- Watch for the AT&T/SBC/SNET logo on the manhole lid
- Ask what kind of work they're performing
- Look for contractor logo's on their vehicles
- Check hard hats or personal clothing for contractor ID
- Check to see if contractor borrowed company equipment to perform their job
- Ask to see their union card
- Are they working and following safety guidelines

Taking Action – What to Do When You Spot a Contractor

CALL YOUR STEWARD or the UNION HALL (203 288-5271)

Give them the following information:

- Location of work, address and time of day
- Contractor's name
- Vehicle license plate number
- What kind of work is being done
- Leave your name and phone number for verification
