founder of our food center*

Over the past ten years this tournament has donated over **\$113,000.00** to our United Way Labor Food Center.

This enabled our food center to purchase food for over **1,026,000 meals** for families in southeastern Connecticut.

Please help us continue to support working families in our community.

Gemma E. Moran United Way Labor Food Center

Our Food Center is a coalition between the Labor Movement and United Way. It first opened in 1988 on the campus of Uncas on Thames in Norwich. Today, our Food Center collects and distributes food to more than 90 programs including community meal sites, shelters for the homeless, afterschool programs, food pantries, programs for the elderly and our Mobil Food Pantry.

Through this successful partnership, our Food Center has become the premier anti-hunger program in southeastern Connecticut providing more than two million meals to the hungry in our community.

On behalf of Organized Labor & United Way we would like to take the opportunity to thank you for supporting our Food Center, it's food distribution sites and the families in our community who receive their assistance.

To get more involved please contact us at 860-464-6012 or visit our website at:
